Work experience

Intern
COGNIZANT-INTERN
Working on ADM Java full stack(dec-2023 to may-2024)

- **Music Streaming WebApp(JAVA-React-MySQL)**
    - An online service that allows artists to add songs by creating an artist account and users can listen to that song in front end
    - A payment gateway that enables user to upgrade to premium account

    - User can select songs that he likes and create a playlist of his own
    - Aritist can perform CRUD operations but user can only listen to songs

- **NewsApp(React)**

    - Users can read latest news from this webapp
    - Users can select different category of news like general, sports, education, entertainment,etc and only that specific news will be displayed to him/her
    - The news data is fetched from NewsApi using which we can do hundred requests per day

Education

Dr Ambedkar Institute Of Technology(ISE)
2019-2023   8.6 cgpa

Vignaan Independent PU College
College2017-2019   82%

Narbada Devi High School
2016-2017   `   86%
